

Here's what our students are saying...

"Gun class was... the most liberating and empowering feeling in the world. Absolute top notch. GREAT class. Great guys."

"The best part of the class was the encouragement and assistance to overcome my fears. Excellently done."

"It was a great couples weekend."

"15 years of shooting and I thought I knew a lot. Boy, was I wrong! Thanks."

The staff are all WONDERFUL. They take individuals at all levels and increase their skill levels. They do this in a friendly, non-judgmental and professional manner while making stressful situations not only bearable but successful for each student. I would highly recommend this course to anyone. You gave a newbie uncomfortable with firearms confidence and skill in a very pleasant two-day period.

Excellent instructors; absolutely worth the money and time.

I have been shooting for 35 years and learned A LOT. Enjoyed all the instructors, they were very helpful with loads of advice and encouragement.

For me, as a beginner, I think the course is amazingly instructive and helpful. I just wanted to say that all of the instructors are incredible and I would like to say a big THANK YOU! to all of them. Their sense of humor made everything so enjoyable.

This course FAR surpassed my expectations.

Great course. Had a great time. Good people & good food with guns! Can't beat that.
